

Worden Medical Centre Travel Clinic

The NHS only makes provision for some of the vaccines you may need. These include Hepatitis A, Typhoid, Polio, Tetanus and Diphtheria

However if you are travelling to areas that require other vaccinations, malaria tablets or medicines that are not covered by the NHS you will incur a charge.

No charge to the patient for the following vaccines

Vaccinations
Hepatitis A & Typhoid combined
Hepatitis A (2 over 6-12 months)
Hepatitis A & B combined (3 vaccinations)
Tetanus / Diphtheria / Inactivated Polio
Typhoid

Charge for non NHS covered vaccines

Please note payment can only be made by cash or cheque and must be made prior to vaccinations being administered
