

## Worden Medical Centre

### PRESCRIPTION REQUESTS

#### **IMPORTANT PATIENT INFORMATION**

As from Monday 23<sup>rd</sup> March we will not accept paper requests and will no longer produce paper prescriptions until further notice.

This is to reduce the risk of Coronavirus for patients and staff.

We want the least number of patients attending the surgery as possible.

If you have a paper prescription to collect which was ordered before the 23<sup>rd</sup> March, this can still be collected.

#### **Please request prescriptions in one of the following ways;**

- Call the prescription line between 9am and 2pm every day – we have extended the time the prescription line is open to accommodate the changes.
- Download the MyGP App and register to be able to order prescriptions
- Register on [www.patientaccess.com](http://www.patientaccess.com)
- By email to: [CSRCCG.wordensurgery@nhs.net](mailto:CSRCCG.wordensurgery@nhs.net)
  - Please state PRESCRIPTION ORDER in the subject box.

**IMPORTANT: All prescriptions will now be sent to the chemist electronically, which means you MUST contact the surgery to nominate which chemist you would like your prescription sending to.**
